

JOSHUA ANDERSON R PADILLA

ABOUT ME

Hello, I'm Joshua Anderson Raymundo Padilla, a 25-year-old Graduated from Bachelor of Science in information technology batch 2025 at Pambayang Dalubhasaan ng Marilao. I am deeply passionate about programming and technology and am constantly seeking new knowledge in these areas during my free time. I enjoy hobbies such as playing chess, solving puzzles and other problem-solving games and exploring various programming languages

OBJECTIVES

To excel as an intermediate web developer, I aim to leverage my proficiency in Web Development technologies to craft well-designed and responsive websites. I am eager to contribute my problem-solving skills and passion for clean, maintainable code to drive the success of project development.
